Chief Secretary's Office,

Brisbane.

17th June, 1915.

Sir,

Adverting to the letter which on the 9th January last you addressed to the Agent General in London, I have the honour to append hereto the text of a communication which has been received from that Officer on the subject :-

"I have the honour to enclose copy of a letter which
"I received from Mr. D. P. Ogilvie, of Latrobe Terrace,
"Paddington, who wished to obtain some business
"agencies. Subsequent to the receipt of this letter,
"a request came to hand from Messrs G. W. and A. Hart,
"of St. John Street, City, to be supplied with copies
"of Mr. Ogilvie's references, which, they state, he had
"advised them were filed at this Office. In furnishing
"them, I advised Messrs Hart that Mr. Ogilvie was
"evidently unaware that such matters are outside the
"scope of the Agent General's functions. Perhaps you
"would be good enough to cause Mr. Ogilvie to be
"informed of the position".

I have the honour to be,

Sir,

Your obedient servant,

(Signed) P. J. McDERMOTT.

Under Secretary.

D. P. Ogilvie, Esq.,

Latrobe Terrace,

PADDINGTON.

Away

Sir,

I have pleasure in stating, for your information, that advice has just been received that the following gentlemen, on whose behalf representations were made to the Military authorities by this Office, have received Commissions in the Army:-

D. C. Ranken	Brisbane
R. J. Thomson	"
R. Darvall	"
E. H. Roe	"
H. S. B. Young	Fairymead
G. A. Young	"

I have also learned from Mr. Geoffrey C. A. Bernays, who is serving as a private in the Royal Engineers, that a letter furnished to him from this Office has been instrumental in causing his Commanding Officer to make a recommendation to the War Office that Mr. Bernays should receive a Commission.

I have the honour to be,

Sir,

Your obedient Servant,

T. B. Thomson

The Honourable
