shown to be a failure*

With reference to my letter of the 30th
May last, relative to Mr. Michael Roche's complaint to you
of this Bank's action in regard to his application for an
advance, and to your request to be advised as to the nature
of the adverse report referred to therein, I have the honour
to inform you that in reporting upon the property offered as
security for the loan the Ranger stated that the land is
very low lying, and, further, that the applicant is a very
ignorant man and likely to be always unsuccessful at farm-
ing.

The abovementioned letter, which was
forwarded by you to this office, and the accompanying cor-
respondence, is returned herewith.

*According to the C. Z. Ranger's report the limit of the advance
under the act is £400 - But owing to the report stating that applicant
was likely to be always unsuccessful at farming, and if the advance
were approved it could only benefit him to the extent of a few
pounds a year being the difference in interest charged by the
Mounlyan Syndicate & that charged by the Bank, the
Trustees decided to decline the application*
